BECAUSE YOUR BUILDING MATTERS

52 Years STRONG | 1973-2025

CASTLE METAL BUILDINGS INC.

WHY CHOOSE CASTLE METAL BUILDINGS?

Whether you need a carport, garage, RV cover, barn, or workshop, Castle Metal Buildings delivers steel structures that are built with pride and engineered to last.

 **Superior Quality**

Every building is constructed with expert craftsmanship – no shortcuts or compromises.

 **No Hidden Costs**

We provide transparent, accurate quotes before any work begins – so there are no surprises.

 **Excellent Customer Service**

Real people. Real service. From design to installation, we do it right the first time.

 **Made with True American Grit**

Castle Metal Buildings stand for strength, honesty, and quality you can count on. "Quality metal buildings, built with true American grit."

We're a family-owned dealer serving East Texas with high quality portable buildings and cabins. As your local General Shelters dealer, we're proud to offer unmatched craftsmanship, unbeatable service, and real value for your home, ranch, or business.

With over 52 years of proven performance from General Shelters, you can trust our buildings to stand the test of time.
